

Another blood donation event by staff at the National Audit Office (Malta)

Another commendable way of fulfilling our social responsibility

This morning 7 staff members visited the National Blood Transfusion Service to donate blood. Indeed, this was the third time during this year that staff from the National Audit Office (Malta) have made such a generous gesture.

The senior nurse in charge of this Centre thanked us for being one of the most frequent blood donation teams. Heartfelt thanks to Our Social Committee and to all staff who participated.....
